The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

Experience It! Radio City Music Hall
